Ömer Bayraksan joined PKF hotelexperts in 2015 and is based in Istanbul. While heading the company's activities in Turkey and neighboring countries, he has worked on various consulting assignments in Turkey, the Balkan and CIS countries in the areas of project development, investment analysis, financing, and property repositioning.

Prior to joining PKF hotelexperts, Ömer worked as a manager and consultant on major hotel and commercial real estate projects on behalf of local and international developers and investors. He has extensive experience in the development, design and construction of hotel, residential, commercial and mixed-use projects.

Ömer earned a Bachelor of science and Master of science degree in civil engineering from the Boğaziçi University in Turkey. During his studies, he partook in an exchange program at the University of Illinois at Urbana-Champaign, USA. He is a member of the Royal Institution of Chartered Surveyors in the field of project management (MRICS) and of the Urban Land Institute (ULI).
