feasibility studies
project development
valuations

Sergii Kozhukhalov joined PKF hotelexperts in 2011 and is based in Kiev. Besides leading the company's activities in the Ukraine, his consulting activities include market research, feasibility studies and valuations primarily in countries throughout the Balkans, Eastern Europe and CIS.

Prior to joining PKF hotelexperts, Sergii worked for Astron Group for seven years as Head of the Real Estate Division and CEO of Ukrainian Hotels Ltd. Sergii has a Master degree from the Moscow State Institute of International Relations and later Professional Development Programme at Institute of Marketing & Technology in Kiev.
