feasibility studies

research + benchmarking

Jack joined PKF hotelexperts as a graduate in 2019, after undertaking a trainee position with the company as part of his undergraduate studies. Based in London as a Research Analyst, his consulting activities include feasibility studies and research assignments throughout Europe including the United Kingdom and Ireland.

Prior to joining PKF hotelexperts, Jack gained food and beverage management experience working for three years at international restaurant chain, Giraffe, as well as having worked in ski resorts in Japan. Jack obtained his bachelor's degree from the University of Surrey, Guildford in International Hospitality Management.
